

Applying for Membership

The Art District Gallery is an artist co-operative featuring the work of regional artists. We exhibit art that is fun, vibrant, colourful, unexpected, and contemporary.

The Co-operative is prepared to accept original artwork from a wide range of disciplines. Applications will be evaluated on their artistic merit and feasibility for the exhibition space. Applications may be declined if the artwork is not sufficiently original, or overlaps significantly with the style or studio practice of the existing membership.

Members are expected to work together as a team and understand the importance of co-operative relationships. Each member must be available to staff the gallery, participate in openings and work on a committee. Artists should present themselves and their art in a professional manner, have a strong on-line presence and be social media savvy. Submitted art needs to be finished and ready to hang.

- * provide a letter of introduction and outline why you want to join the ADCG and how you hope to contribute to the gallery
- * provide a biography: one or two paragraphs that have to do with your experience or training as an artist.
- * provide an artist statement: one or two paragraphs about the body of work you are presenting and the direction you anticipate your work is going.
- * provide a link to an online portfolio, blog or website with at least 7 high resolution images of your artwork.

Our membership committee will review your application and if your art is a good fit for our gallery we will contact you for an interview. This can be at your studio or at the gallery. If we invite you to join our co-op gallery, we start off with a three month probationary period which allows the gallery members and yourself to get to know each other and for you to become familiar with gallery procedures. This gives you the opportunity to participate in two shows. We have a reception every six weeks when we hang new art. At the present time, the gallery takes a 20% commission on sold art plus POS fees. A one time \$100 non-refundable initiation fee plus monthly membership dues of \$60 are required. We collect two months at a time. Full voting membership could be offered after the probationary period.
